# VISIT THE AMISH OF HARMONY

The Harmony area is home to Minnesota's largest Amish settlement. Over 100 Old Order Amish families live in the countryside near Harmony. The Amish of Harmony arrived in the area in the early 1970s and settled just east of Harmony. The Amish primarily make their living through farming, construction and by making and selling goods. These unique items include baskets, furniture, jams, rugs, quilts, baked goods and much more. Many Amish families can be found selling their wares at local farmers' markets or on their farms. Since that time, the community has grown significantly and the Amish farmers and craftsmen have become an integral part of the Harmony community. Visitors to Harmony can visit select Amish farms and merchants by taking a tour through **Amish Tours of Harmony**, located in BReaKeRs in the Village Green.

# SENIOR ACTIVITIES

**Golden Happenings of Harmony** is a senior activity group that meets regularly in a dedicated space at the **Harmony Community Center**. The volunteer-led group offers exercise classes, workshops, lunches, informational sessions and good old-fashioned coffee and fellowship.

## RECREATION & PARKS

There are four playgrounds in Harmony that provide a variety of adventures for children and their families. **Selvig Park**, just south of Main Street, is home to our Veteran's Memorial, playground equipment, a picnic shelter and gazebo, and public restrooms. **Trailhead Park** is located near the visitor center and is right off the **Harmony-Preston Valley Trail**.

This park features a picnic area, large interactive musical instruments, and a newly installed splash pad! Borrow equipment from the visitor center for the free 9-hole disc golf course. **North Park** is next

to the Harmony Golf Club, featuring playground equipment, a picnic shelter and proximity to the golf club. **Cardinal Park** is located at the Harmony Community Center and Public Library. There is playground equipment, community garden plots, and greenspace at this location along with access to the community center and public library.

# KARST INTERPRETIVE SITE

The Harmony Visitor Center is open to the public from April through October. Inside you can explore exhibits about the history of Harmony, the karst environment, and see some amazing fossils from the area. A short hike on the Harmony-Preston Valley State Trail, which starts right behind the visitor center, leads to the Harmony Karst Interpretive Site. The sinkhole, highlighted at the site, is a good example of the prevalent geological make-up of southeastern Minnesota. There are also several educational signs which explain how it was formed and why it is important to protect and keep sinkholes clean.

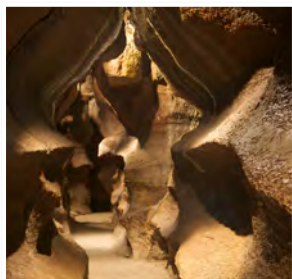

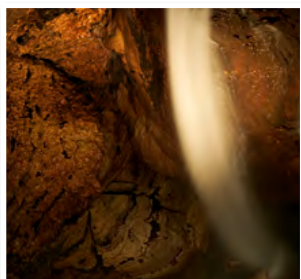

Karst mostly occurs in carbonate rock, which covers about 1/8th of the Earth's land surface. Karst features found in our region include sinkholes, disappearing streams, springs, and caves.

## CAVE EXPLORATION

**Harmony** is located near the Driftless Area of the Upper Midwest. Since our region was not covered by glaciers in during the most recent glacial advances, we share characteristics of the landscape untouched by glaciers for millions of years! The countryside is rich with bluffs, rolling hills, springs, creeks, sinkholes, and caves. Two main caves are Niagara Cave, just south of Harmony, and Mystery Cave, located in nearby Forestville State Park. Niagara Cave is consistently rated one of the top-10 caves in the United States.

**Mini Golf at Niagara Cave** offers an 18-hole mini-golf course with holes 1-9 being handicapped accessible. Other recreational opportunities at Niagara Cave include gemstone and fossil mining, a popular feature that kids enjoy.

# BIKING

The Harmony-Preston Valley State Trail starts right behind Harmony's Visitor Center. It connects Harmony to the Root River Trail system with over 60 miles of recreational trail! This paved trail travels through lovely countryside; passing through a variety of wooded areas, pastoral farm sites, rolling hills, and near spring-fed Camp Creek.

The Trailhead features a picnic shelter, playground, splash pad, 9-hole disc golf course, visitor center, and parking lot.

With funding from the Fillmore County Statement Health Improvement Program, the Root River Trail Towns organization has partnered with several cities to create a Bike Share Program. Participating communities include Harmony, Preston, Fountain, Peterson and Rushford. The Bike Share Program in Harmony operates out of the visitor center during the hours of operation, 10 a.m. to 4 p.m., during warm-weather months, typically May through September. Visitors may use the bikes free of charge and they may bring their own helmet or, if they do not have one, one will be lent to them with their bike.

## *Historical Walking Tour of Harmony*

**We invite you to take a walking tour of Harmony's History that will come alive through images and stories from the past.**

*Pick up the tour map at the Harmony Visitor's Center*

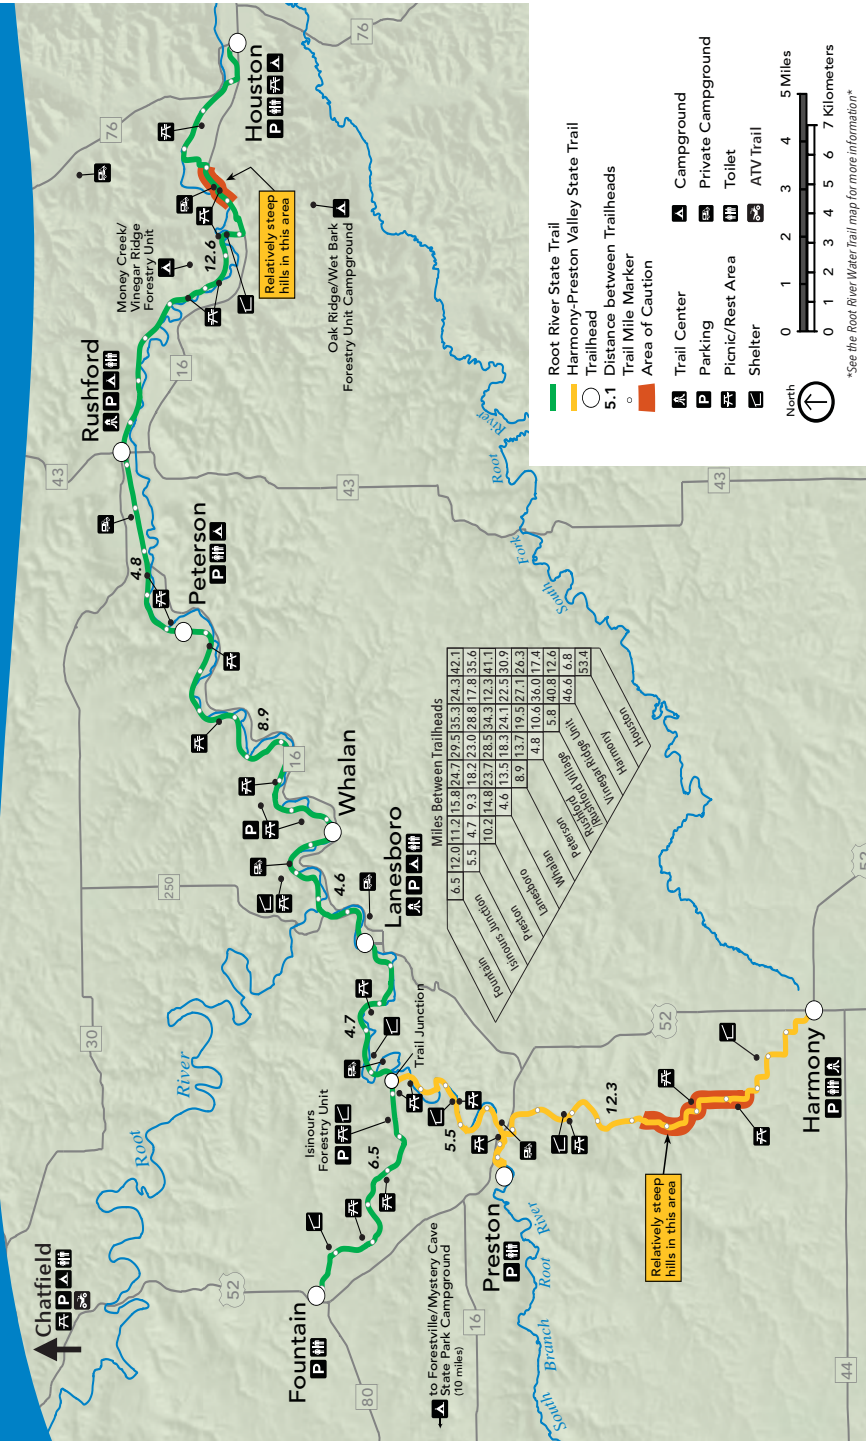

***Watch for information about

**Adults \$5**  
**Kids & Seniors \$4**

*Current movies at Yesteryears prices*

## ARTS & HISTORY

The **Laura Ingalls Wilder Museum** is located about 20 minutes south of Harmony, in Burr Oak, Iowa. Laura Ingalls Wilder and her family lived in this town in the 1870s and it is the birthplace of her sister Grace.

The **Harmony Area Historical Society** has created a historic signage walking tour of downtown Harmony. Learn about Harmony's history as it comes alive through images and stories of the past. Start the tour by picking up a map at the Harmony

Visitor Center.

The Historical Society also hosts various exhibits at the visitor center and Harmony Community Center. Learn about karst geology and how sinkholes are created at an interpretive site on the bike trail.

The **McMichael Grain Elevator**, located near the Trailhead, has recently been added to the National Register of Historic Places! This is part of a larger plan to preserve Harmony's agricultural and railroad history.

# TECHNOLOGY

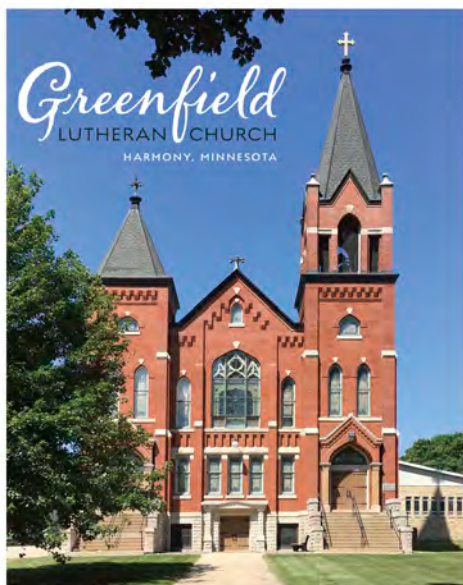

**MiBroadband** (previously Harmony Telephone Company) has been providing exceptional service since 1945. They offer high speed internet, telephone, and cable television. Three local telephone cooperatives joined in 2018 to become what is now MiBroadband. Together they provide fixed wireless broadband to rural homes, businesses and farms in Southeast Minnesota and Northeast Iowa.

# WORSHIP

Please feel free to worship with us at one of our local churches. **Greenfield Lutheran Church** worships at 9 am on Sundays. **Harmony United Methodist Church** worships at 10:30 am on Sundays. See our map on Page 4 for their locations.

## PLAN YOUR TRIP TO HARMONY TODAY

# AGRICULTURE

Our community's agricultural roots run deep. **Harmony Agri Services** has been in operation since 1895, which is the same year Harmony was incorporated. The company is focused on the feed and grain **Nutrien Ag Services** provides crop inputs, services, and solutions for local growers.

# TRADES & INDUSTRY

**Harmony Enterprises** is a global innovator of recycling and solid waste management equipment. The company is one of the community's largest employers. **Nolan Lumber Company** offers building supplies and home building services. **Prosper Lumber Company** offers wood goods from good woods! They work with contractors and offer free delivery to the jobsite. Pick up paint, purchase appliances, or work with **Kingsley Mercantile** for your plumbing and heating needs. **VIS Plumbing & Heating** is a full-service HVAC business for your heating, cooling, and plumbing needs. **Torgerson-Ostby Floor Covering & Stone** will help you with carpet, hardwood floors, tile and stonework and countertops. **Morem Electric** is the place to call on for installing your new electrical fixtures or updating your home's wiring. **Solberg Welding** is your local source for custom welding projects; they also sell trailers via their sister business, **Ironside Trailers**. From interior or exterior repairs and remodels, **Aaron Nevalainen Contracting** has you covered.
