

There's work to be done...

... and FUN in store.

With YOUR help, we can do much more!

Calling the Next Generation of Volunteers!

HAHS

HARMONY AREA HISTORICAL SOCIETY

The Harmony Area Historical Society is an all volunteer organization established in 2000 by a group of dedicated residents who recognized the value of preserving Harmony's history. They made a commitment to the collection, preservation, dissemination and interpretation of knowledge about the history of the Harmony Area and its unique geology.

Their hard work is illustrated throughout the community:

- **Historic Signage Walking Tour**
- **Karst Interpretive Site on the Harmony Bike Trail**
- **Displays at the Visitor Center**
- **Harmony High School Exhibits at the Community Center**

Current ongoing projects include:

- **McMichael Grain Elevator Preservation**
- **Heritage Farms Interpretive Display**

An exciting new project in the works:

- **Agricultural Interpretive Program at the McMichael Grain Elevator and the Harmony Visitor Center**

Our work continues but is at risk of dwindling as active membership has declined over the years. Some of our original members have passed away. Others are less able to engage with the same energy they delivered in the past. Some remain active and committed but sometimes overwhelmed by the scope of the tasks at hand.

POSSIBLE AREAS OF NEED:

- **Fundraising**
- **Grant Writing / Editing**
- **Workroom Organization**
- **Collections / Storage**
- **Display Creation / Maintenance**
- **Record Keeping**
- **Project Committees**
- **Event Planning**
- **Social Media Posting**
- **Your Great Ideas!**

We Need Your Help!

If the preservation of Harmony's history is important to you, please consider getting involved. There are a variety of ongoing tasks and projects with an array of time commitments that call for different skills and address many interests. We can assure you, this work is rewarding and can be a lot of fun. As they say "many hands make light work." We are excited to keep moving forward through teamwork and cooperation.
